ENTERTAINER'S GENERAL INFORMATION

All entertainment should be appropriate for the English Renaissance (16th century) and for a family event.

The Faire site is in a mature tree grove. There are 3 stages throughout the site. Where you will be assigned will depend on your space and time needs. 2 of the stage areas will be on raised platforms about 1 foot off of the ground.

Roving entertainment is encouraged. Please be sure that where ever you plan to play, it will not block the path ways and/or interfere with the other entertainment.

We encourage you to go out into the village as much as possible and entertain the patrons and passing the hat is very acceptable. We realize the need to recharge between performances.

Entertainer space is limited to a 15'x15' area. If you desire more space, you must request it early and know that there will be some cost for the area that will be negotiated with performance payment. Please be clear and as accurate as possible regarding your needs. All encampments located in the village **MUST** be period appropriate. **NO pop-ups** unless well decorated for the period. As always, you can create your own encampment in the camping area. No extra charge. Be aware that we have many campers so keep your area clean and don't use more area than you need.

Entertainers are responsible for set up and take down of their space. There will be an area available for instrument/props storage. **USING THIS SPACE IS AT YOUR OWN RISK!!!!!!!!!!!!!!** It will not be possible to drive up to your space or stages during Faire hours.

All vehicles will be parked in the designated areas for all participants. Please refer to the Rules of Faire for more information.
