

Hello Merchants,

We of the Canterbury Renaissance Faire thank you for your interest. Canterbury Fair was started in 2008 and found its home in Silverton Oregon in a grove of trees near some farm land. After 7 years at the original site we had outgrown it. We moved to a new location in Silverton that was purchased by the Faire's owners giving us a permanent place to call home.

Canterbury Faire is set in the early years of Queen Elizabeth's rule. For this year, our 10th, we are set in the year 1561. As such we ask our merchant and entertainers to strive to fit into this time period. We seek to give our Patrons as much immersion into that flavor as possible. We hope all of you will join us in this effort.

We take place in late July and our site is often very dry, There is limited water on site, Please be sure you have at least a fire extinguisher for your booth and camping situations suitable for your potential fire risk.

Our site is a bit of a hill. This can pose difficulties for people with mobility issues, please take this into account when you plan your time with us.

Your spaces will be assigned based on the information you provide, and while we do try to accommodate mistakes, we will fill out grounds fully. Correct information will keep the set up clean and stress low.

Noise Policy

Quiet time is from 10 pm to 9 am (county noise ordinance)

Generators must be shut off by 10 pm

We ask you respect others on site who are camping, We will have children and people who have worked long days that will need to sleep.
