

## Deadline: June 1, 2016

### General Entertainer's Information

Canterbury Renaissance Faire is held on private property. Entertainment should be appropriate for the English Renaissance (16<sup>th</sup> Century) and for a family event.

The faire site is in a grove of mature trees . Generally there are 3 stage spaces for scheduled entertainment. Where you will be assigned will depend on your space and time needs. We make every effort to provide you with a space larger than the dimensions you indicate on your application. Stage areas are on bare ground (not raised). Although, we make every effort to clear and level the space. You should expect some unevenness. Roving entertainers are encouraged, however there are some tight and intersecting paths that necessitate sensitivity to avoid possible crowding and overlapping of sound.

Entertainer space is assigned based on the information you indicate on the Entertainer Application. Please be as clear and accurate as possible regarding your needs.

Entertainers are responsible for set-up and take-down of their space. There will be an area provided for storage of instruments/props, etc. It will not be possible to drive up to a space when faire is open. If help is needed, we may have volunteers to help set-up or take-down of your space.

Entertainers are encouraged to be in the faire village as much as possible. Continually entertaining the public. We also recognize the need to recharge with down time.
